

Using the Review Status Feature in Blackboard 9

1. Go to your Blackboard course and click on **Course Material**.

2. Navigate to the Assignments folder

3. If your professor has required you to mark the assignment reviewed simply click on the **Mark Reviewed** link

The screenshot shows the Blackboard interface for 'Bb9 Documentation Bus100'. The breadcrumb trail is 'Course Material > Week 1 > Assignments'. On the left is a navigation menu with items like 'Announcements', 'Faculty Infor...', 'Course Inform...', 'Course Material', 'Discussions', and 'My Course Page'. The main content area is titled 'Assignments' and lists two items: 'Week 1 Essay Assignment' and 'Graded Homework Assignment - Week 1'. The 'Week 1 Essay Assignment' description is 'Write a 2 Page Essay on developing a SWOT analysis'. To the right of this description is a button labeled 'Mark Reviewed', which is circled in red.

4. The assignment is now marked **Reviewed**

This screenshot is identical to the one above, showing the Blackboard interface for 'Bb9 Documentation Bus100' in the 'Assignments' section. The 'Week 1 Essay Assignment' is now marked as 'Reviewed', indicated by a green checkmark icon and the text 'Reviewed' next to the assignment description. The 'Mark Reviewed' button is no longer visible, and the 'Reviewed' status is circled in red.
