

Blackboard Mobile Learn for iPad Setup

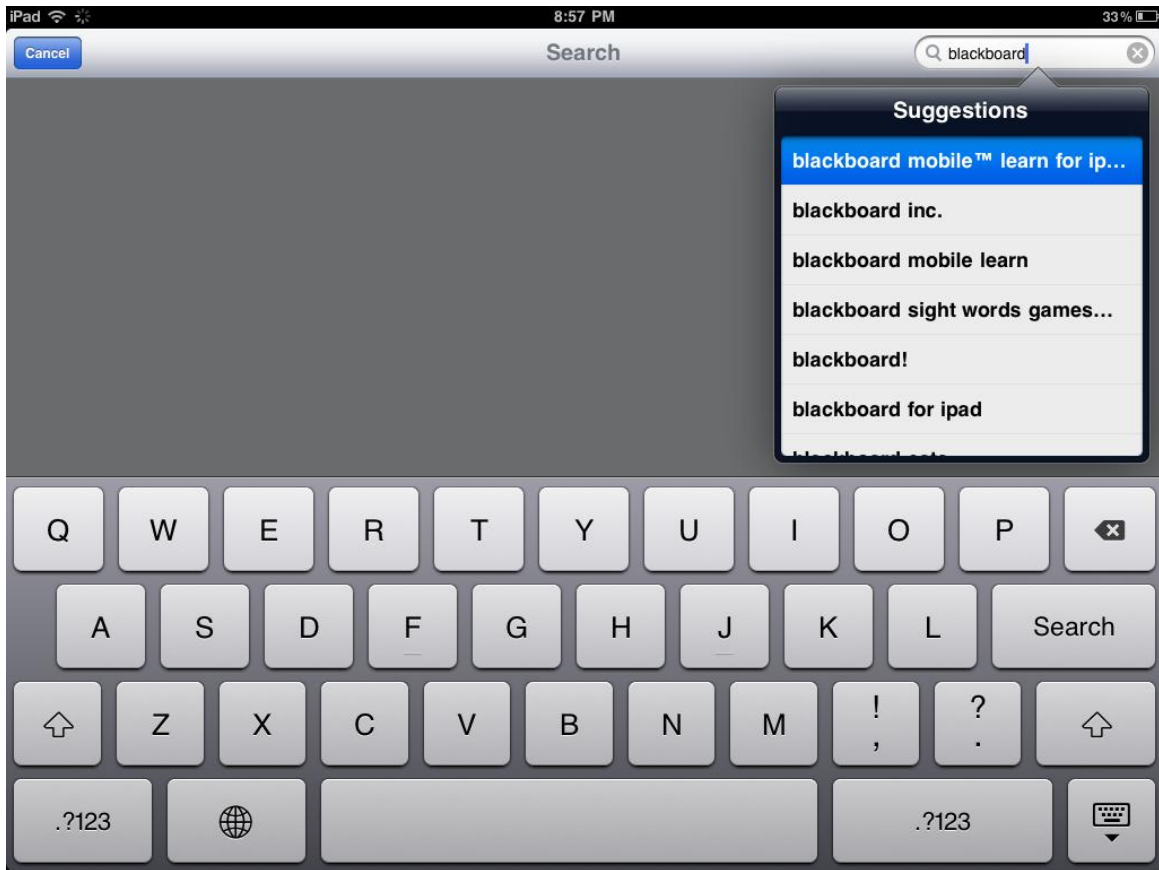

1. To setup Blackboard Mobile Learn for the iPad, tap on the App Store application. Please make sure you are connected to the internet prior to accessing the App Store.

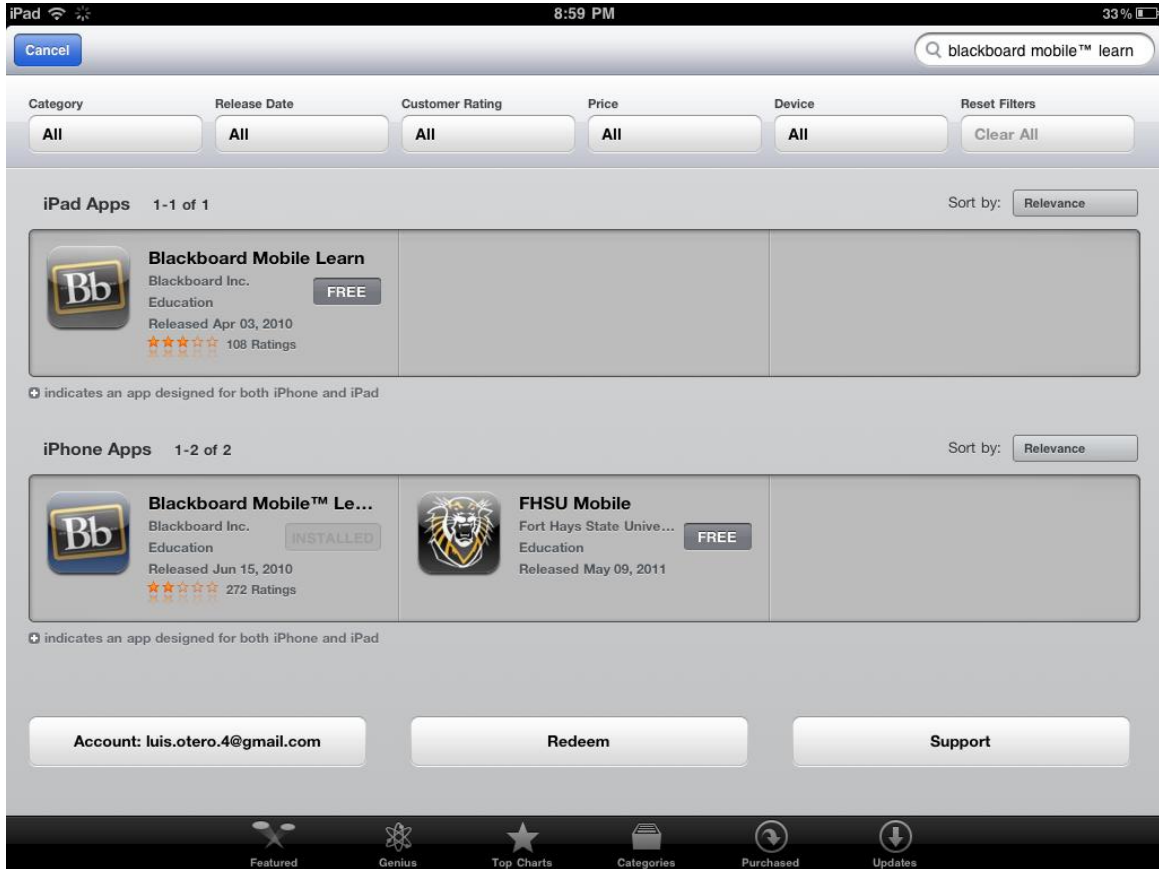

2. In the App Store, type in the search bar Blackboard Mobile Learn. You will find that it is the first option that will appear in the search list.

3. Select Blackboard Mobile Learn from the search list.

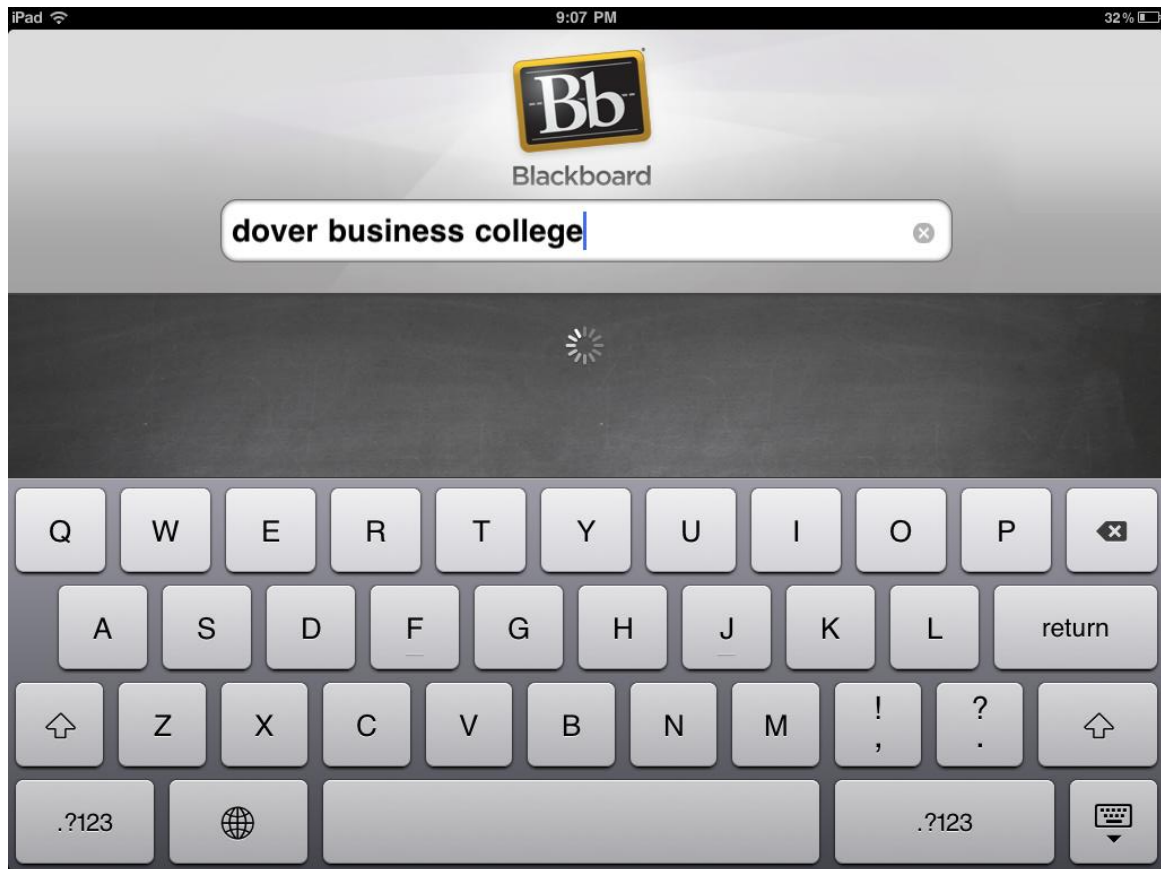

4. From the search results, install the Blackboard Mobile Learn for iPad.

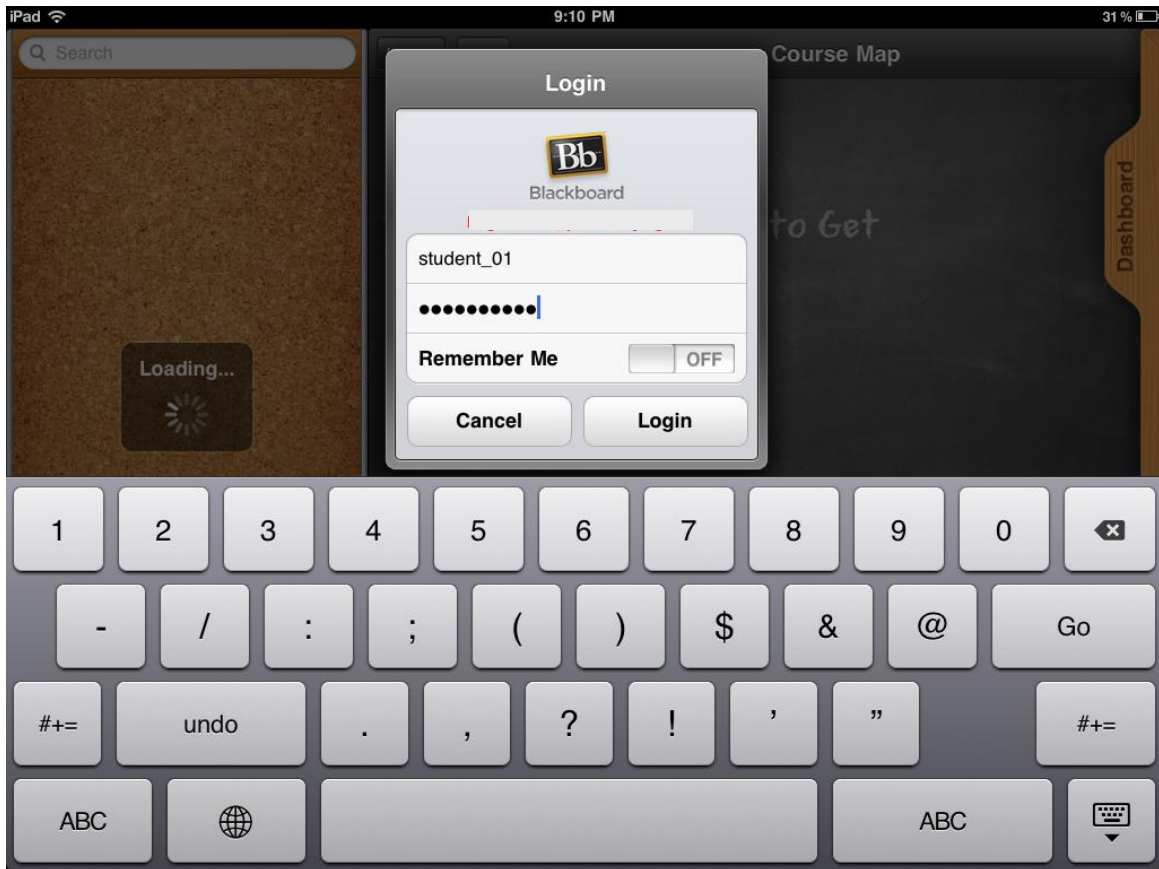

5. Once installed, tap on the Blackboard Mobile Learn icon. To take full advantage of the application, please make sure to use your iPad in the Landscape orientation.

6. Once opened, you must type in Dover Business College into the Search box then tap return. Make sure to tap on Dover Business College in the search results.

7. In the next screen type in your login information. You are given an option to have Blackboard remember you. Just note, you will need to type in any new passwords once you have changed your password in the near future.

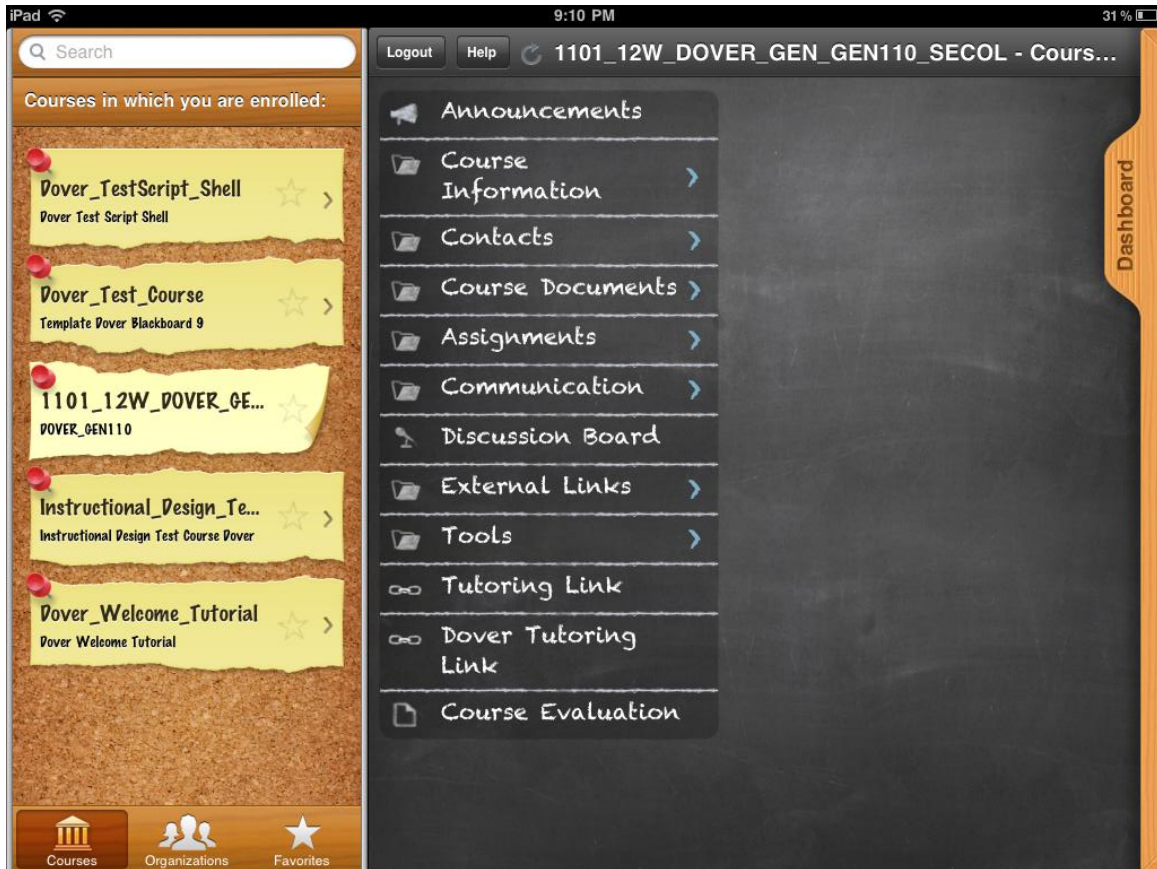

Using Blackboard Mobile Learn

- When holding the iPad in landscape mode, you will be able to see a list of the courses that you are enrolled in on the left hand side of the screen. On the right hand side of the screen, you will be given the ability to see the latest updates to all your courses.

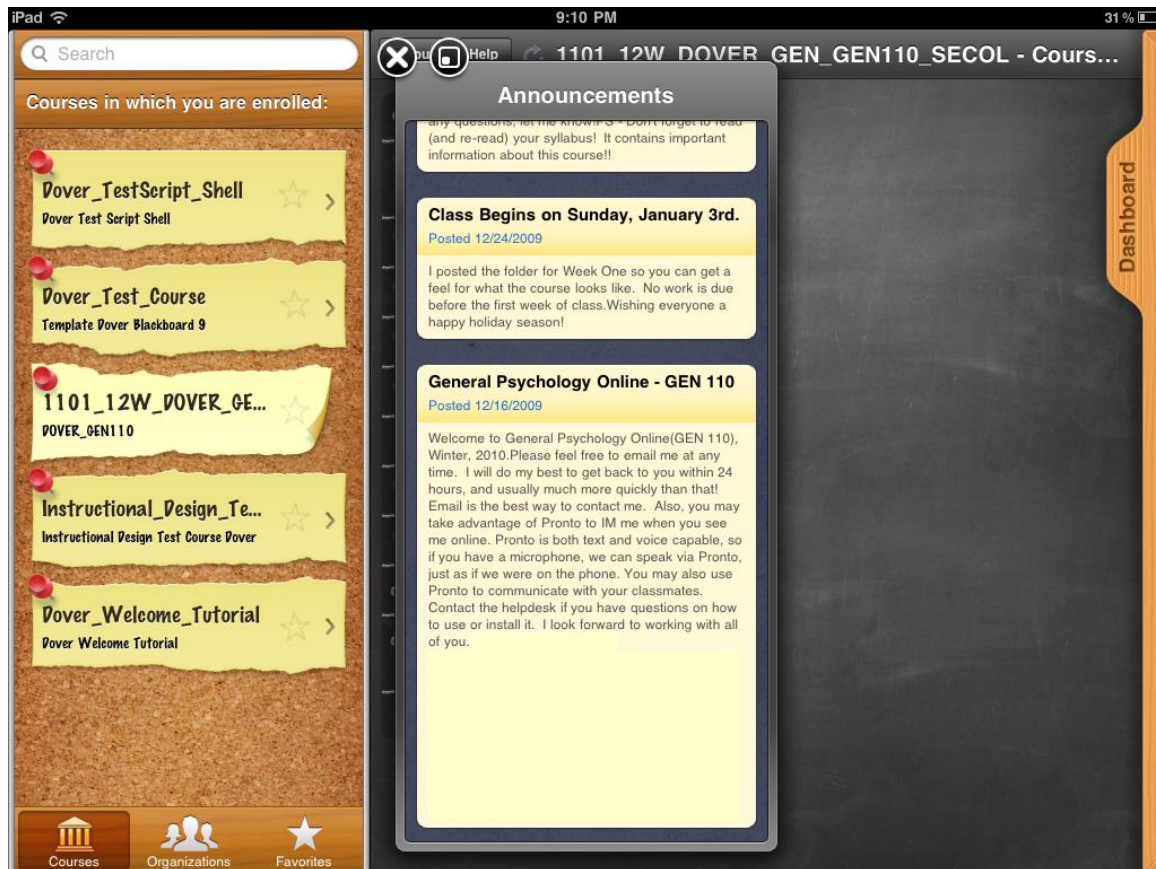

Viewing Courses

- Once you tap on one of your courses, you will see a menu similar to when you access Blackboard via a desktop computer.

Viewing Announcements

- When viewing announcements, you will be able to scroll through a list of current announcements. In order to increase the view of the announcement click on the page icon located in the upper left hand corner of the announcements popup.

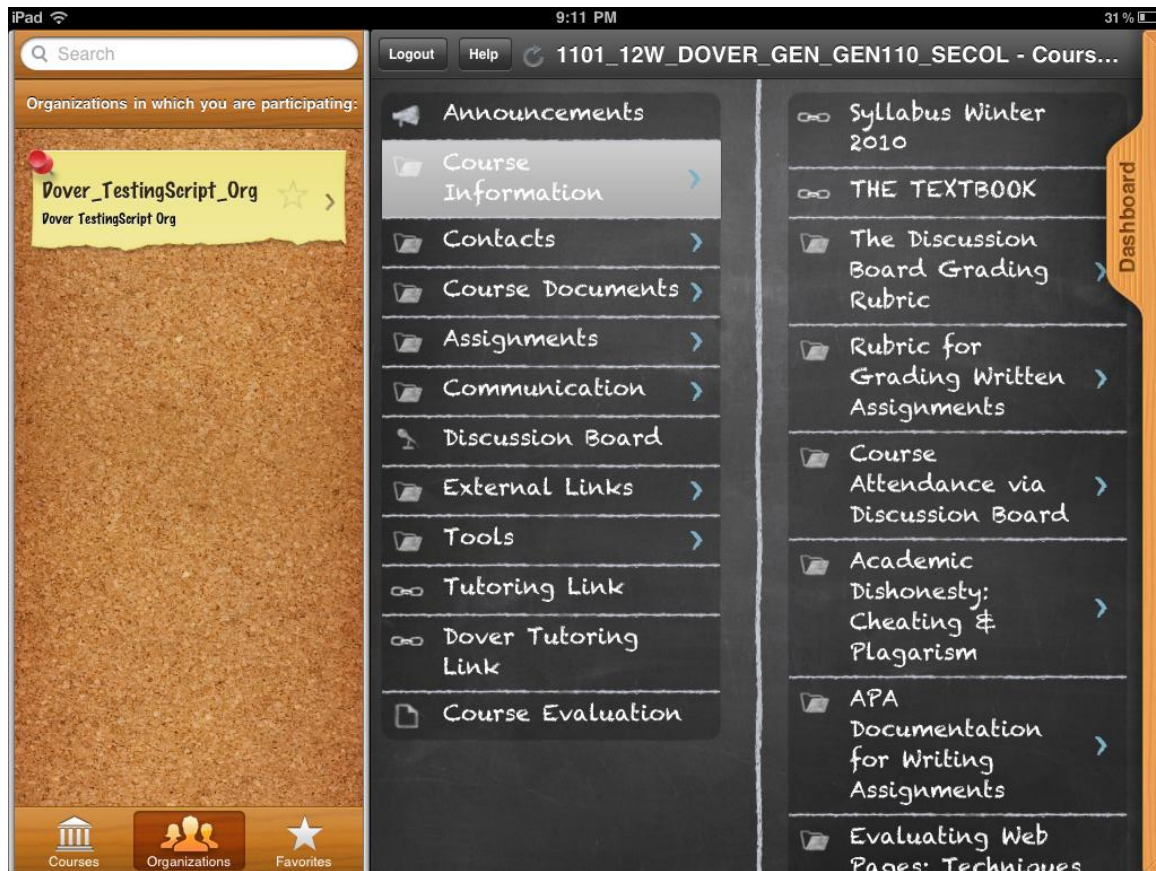

Viewing Attachments

- In your courses, you will be able to open attachments via the Blackboard Mobile Learn application. Just tap on the attachment to view it.

Viewing Organizations

- If you tap on the Organizations tab at the bottom left-hand corner of the screen, you will find a list of all the organizations that are currently available to you. This way you can remain informed of any of the latest update in this view.

Adding Favorites

- To add favorites, tap on the star icon near your course or any available organization. For easy access, the course or organization will be available under the Favorites Tab.
